THE COMPLETE BATHROOM CATALOGUE
AUGUST-FEBRUARY 2013

ROOM

Welcome to the latest edition of the Uptrend Complete Bathroom catalogue which we hope you will find informative and provide inspiration when designing your new bathroom.

With over 30 years experience in the bathroom industry we strive to offer the very best of quality brands and our own Cameo range at the most competitive prices we can.

Our mission is simple, to provide a one stop shop for all your bathroom needs. All products are supplied with a full manufacturer's warranty giving you complete peace of mind.

We hope you enjoy looking through our catalogue and selecting products that will help you to create your own haven of tranquility.

Look out for the Best Seller logo showing our most popular lines

STANDARD

APOLLO - THE BENEFITS

■ Our carcasses are glue and dowelled rigid cabinets with 8mm solid backs for maximum strength.

■ Choose from a selection of door styles and finishes. Doors are soft close as standard.

■ Our cistern is front access. Access is gained to the w.c. cistern by removing the w.c. top fascia panel.

■ Soft close drawers as standard with a 15mm solid base.

SANREMO

NEW

Fitted and minimalist Sanremo's white gloss slab door with integral handle will make the darkest bathroom look light and airy.

VALENCIA

The subtle Cappuccino gloss tones of the Valencia blend perfectly with the natural walnut cabinets and plinths to provide a feeling of warmth in any bathroom, small or large.

BOLOGNA

A clean and fresh design, this matt white bevelled edge door creates such a pure and chic look you will be the envy of all your friends.

BEST SELLER

SORRENTO

A White Gloss door with a bevelled profile that will not fail to impress those looking for a quality gloss finish. The Sorrento door will suit any size of bathroom changing even the darkest bathrooms into light and airy spaces.

MODENA

The striking gloss black finish of Modena is complemented perfectly with polished chrome handles and accessories found in today's modern bathroom. The clean bold lines create a smart, contemporary look to any bathroom.

TREVI

NEW

The Natural walnut effect door with vertical grain direction in this fitted range helps the clean bold lines create that more traditional look.

BARLETTA

A white gloss slab door with integral scoop handle that is every minimalist's dream. The smooth lines of the door and sharp contrast of the polished chrome handle is a must for any contemporary bathroom.

AMALFI

Sharp, crisp white gloss slab doors is the new desire for the modern person and home. Dressed with stylish handles and slick worktops the Amalfi door is at its best. It looks fantastic what more can we say?

ZEBRANO

If you are looking for something that is extra special then look no further. Zebrano is ultra glossy for that expensive feel, ultra modern for that contemporary feel, and ultra striking for that wow factor feel!

COMO

Natural Oak effect finish with bevelled edge profile that creates an ultra sleek and stylish look. It just never dates and is guaranteed to look as good as the day it was fitted in years to come.

VITTORIA

This is a finish that everyone loves. A natural walnut slab door that oozes quality, presence and warmth.

TOLEDO

Toledo's warm natural oak effect slab doors with scoop handles make this the most modern of bathrooms and cleverly combines absolute practical design with high fashion appeal.

LEGACY DESIGN TOUCHES

Showerlux introduce the new Legacy range, with no compromise to our renowned quality - so the same brand, same badge, and same reputation but at a different price point.

The Legacy range of shower enclosures offers external installation, so no need to step on the shower tray when installing the product, click out lower wheels (with stainless steel roller bearings), so no rust, ease of cleaning, 6mm tempered safety glass throughout the range, CE certification and ISO9001 quality assurance standard, to name but a few of the features that are typically Showerlux.

Available in an extensive option of sizes and styles, including quadrant and offset versions, pivots doors, wide access bi-fold and slider doors, along with 8mm glass wetroom panels and over bath screens to complete the range.

- 1 External installation - reduces possibility of tray damage and 'frees up' valuable working space
- 2 6mm toughened safety glass (8mm on Wetroom Panels)
- 3 Detachable lower wheel system with stainless steel sealed bearings
- 4 Up to 50mm adjustment
- 5 Chromium plated, ergonomic European handle design
- 6 Unique serial number identification incorporated under Showerlux badge
- 7 Chromium plated pivot block
- 10 year guarantee
- Complete with GlassShield easy clean glass protection as standard
- Overall height 1900mm
- CE certification
- ISO9001 quality standard

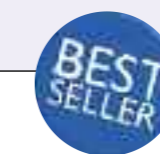

GlassShield Easy clean glass protection

When you've chosen a luxury shower enclosure it's only natural that you'll want to maintain it in sparkling new condition, which is why our factory applied GlassShield easy clean glass protection is standard on all ranges.

The deflector panel bars can be cut down to any required length by the installer. The bars are supplied at 760mm length.
The deflector panel is designed to be fixed to a floor, however it can be fixed to a tray through using silicone rather than the floor brackets and gasket supplied.

THE GEO6 SHOWER COLLECTION

Smart features, fixings and finishes enhance the style and functionality of the Geo6 collection - and all at great value prices.

All Geo6 enclosures boast the following features:

- 6mm safety glass across the entire range
- An adjustment of 25mm each side for out of true walls
- No visible fixings inside the enclosure/screen
- Cover caps on the top of all profiles
- All Sliding Doors swing back for easy cleaning

- All Sliding Doors include spring loaded door buffers for soft opening and/or cushioned closing
- Height of 1900mm (1500mm high bath screens)
- **Note:** All Geo6 enclosures are supplied with standard wall profiles that give 25mm adjustment. An extra 30mm can be achieved with an extension profile.

LIFETIME
guarantee

THE HYDR8 SHOWER COLLECTION

Hydr8 Life in your shower

All Hydr8 enclosures boast the following features:

- 8mm safety glass across the entire range
- An adjustment of 50mm for out of true walls (25mm each side)
- No visible fixings inside the enclosure/screen
- Cover caps on the top of all profiles
- All Sliding Doors swing back for easy cleaning
- All Sliding Doors include spring loaded door buffers for soft opening and/or cushioned closing
- All Single Door products feature concealed magnetic door closure
- Height of 1950mm (1500mm high bath screens)
- A choice of black or clear seals, both included
- All bespoke shaped enclosures have a floor mounted acrylic-capped stone-resin tray available
- Micro adjustment system enabling very small adjustments, one at a time - very useful when installing
- Polished silver profiles, for a contemporary look which matches most accessories

LIFETIME guarantee

Design Pure An extensive and modular collection of minimalist partially framed shower doors, enclosures and screens.

- Profiles, Hinges and Handles in High-gloss silver
- Clear 6mm glass
- Standard Height 1900mm
- Transparent look with minimal profiles and modern handles
- Rise and fall hinge for added water tightness
- Flexible configuration and size options to suit a range of showering spaces

Design Pure Swing Door and Swing Door with Fixed Segment

Easy-clean HÜPPE Anti-Plaque safety glass makes cleaning easy and allows water to pearl off. The result – fewer dirt and limescale deposits. Anything that does remain can simply be wiped off without the need for abrasive cleaning agents. Anti-Plaque is not a coating on the glass, it is more a surface finish.

How to Order Anti-Plaque Glass?

To order anti-plaque glass surface finish, amend the glass code at the end of the product code to 322.
