DOORS

Atlanta offers six door styles and thirteen door colours with integral soft close hinges, giving countless combinations.

BASE UNITS

A wide selection will enable you to create your individual look, with the option of matching or contrasting door and cabinet options, in all colours, for the ultimate bathroom interior.

WALL UNITS

Storage is at a premium in the bathroom so Atlanta offers an 800mm high wall cabinet with adjustable internal shelves to utilise every inch of storage space.

COUNTER TOPS

Atlanta can give matching or contrasting counter top options in laminate, Solid Surface and Corian.

SANITARYWARE

Enhance your bathroom by selecting one of the many ranges Atlanta offers. Both contemporary and ultra modern designs are offered to suit the style you desire.

BRASSWARE

To complement your sanitaryware choose our brassware which carries an extensive guarantee.

HANDLES

Careful consideration to your choice of handle can make all the difference. From small and delicate to the more bold statement, Atlanta has the handle for your own taste and application.

MIRRORS

Whether its classic or modern, plain or framed or even cabinets with double sided mirrored doors, we can offer you a host of sizes to suit your application and requirements.

LIGHTING

A comprehensive range of lights are on offer, please be sure to check the IP rating prior to installation.

romano

Romano is our latest evolution of a cherry effect finish. It has warm tones and increased colour variations within the design. We are sure that Romano will prove to be an exceptionally popular mid coloured woodgrain effect.

A future classic.

bianco

PREMIUM

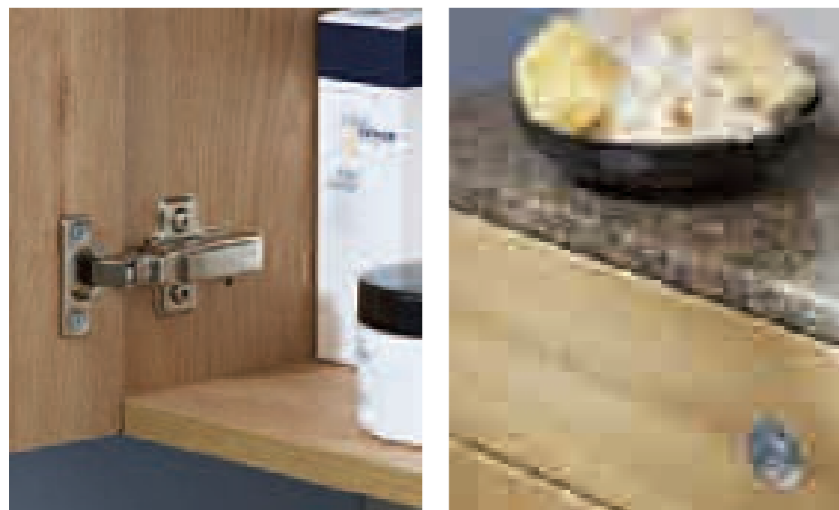

Stunning white high gloss acrylic faced doors with dual tone impact resistant edging, sitting on Premium cabinets which are the height of luxury. This cool, sophisticated elegant range offers affordable style for today's fashion bathroom

atlantabathrooms.com

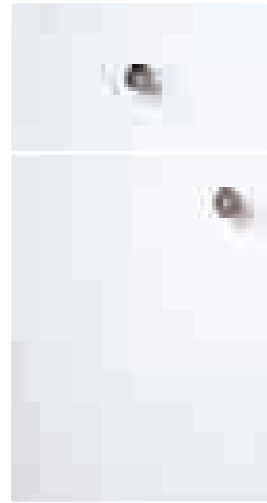

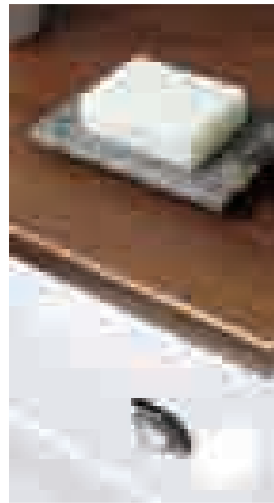

odessa

Odessa Oak with its highly tactile structure in a rich mid toned finish with matching cabinets. While being a traditional timber effect the neat slab doors, look equally at home in a classic or modern bathroom.

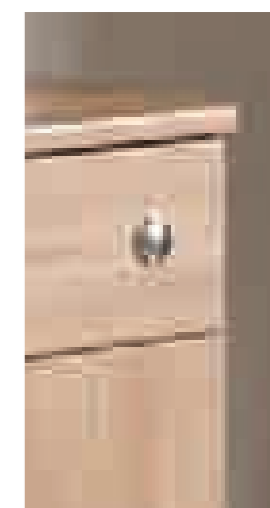

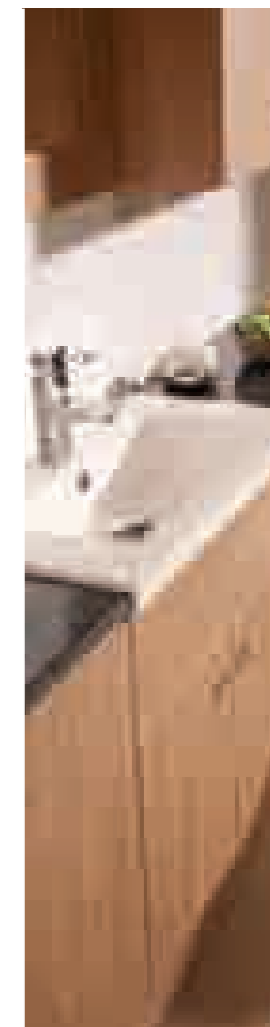

Lucia

Striking white gloss, elegantly smooth with subtle curves creates the classic sleek look of Lucia. Useful storage options coupled with stylish accessories produce a highly desirable bathroom.

verona

Finished in a natural Walnut Effect combined with co-ordinated cabinets.
Verona gives a clean and efficient look for today's lifestyle.

sorrento
SLIMLINE

Beautifully styled, practically proportioned and a luxurious finish, Slimline Sorrento in Ferrara Oak. Its simplicity and design should be applauded for its understated function, the elongated bar handles accentuate its subtle grain pattern.

modena

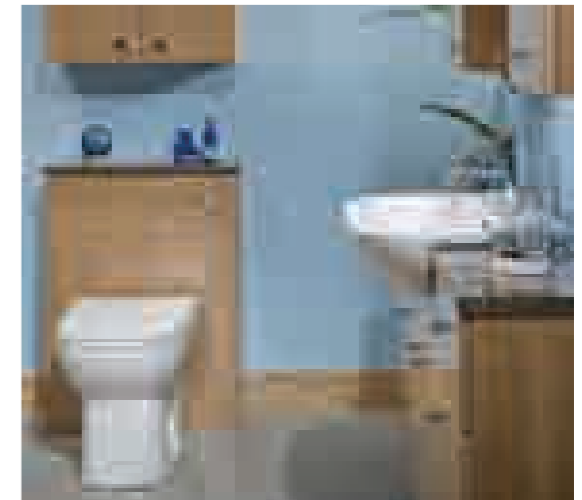

The uncompromising ultimate in bathroom brilliance truly beautiful Modena is a dream solution that will never date. Clever use of Solid Surface shelves and countertops enhance the dramatic look of this classic.

sienna

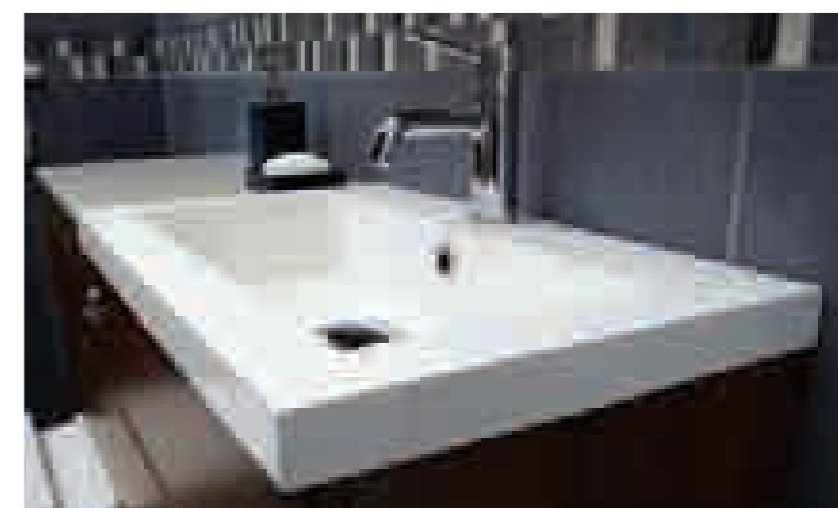

Sienna is a truly elegant gloss cherry woodgrain, sitting on subtle matt cherry Romano cabinets it offers bathroom furniture with warmth and complementary tones of strong reflecting gloss front panels.

martella

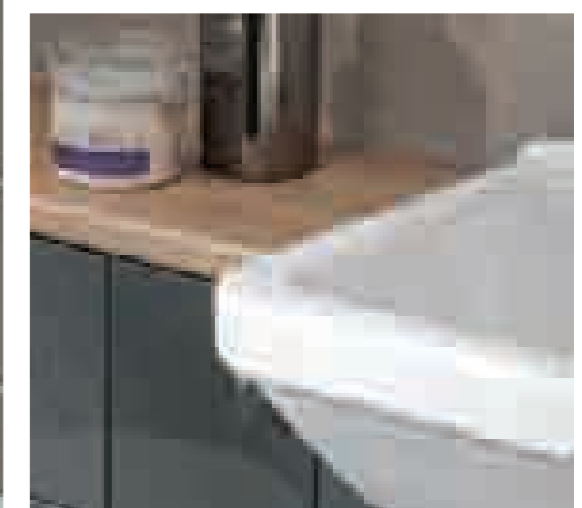

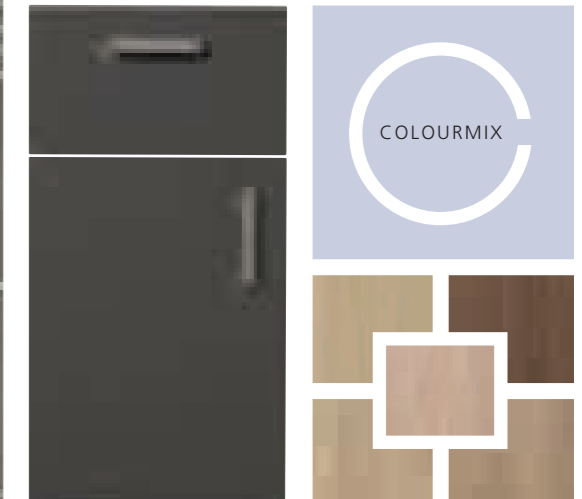

Modern lines and smooth contours accentuate the harmony and simplicity of Martella, a minimalist bathroom that's anything but square.

novara

Novara's new technology, it is high gloss acrylic panels with superb reflective properties, Novara is based on an anthracite tone and is a great match for any of the five cabinet choices offered.

pescara

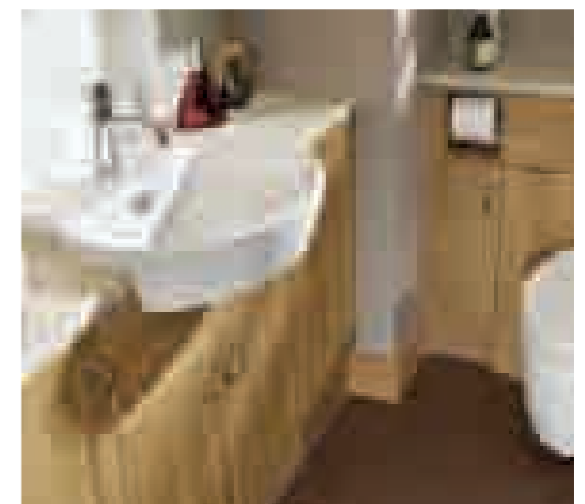

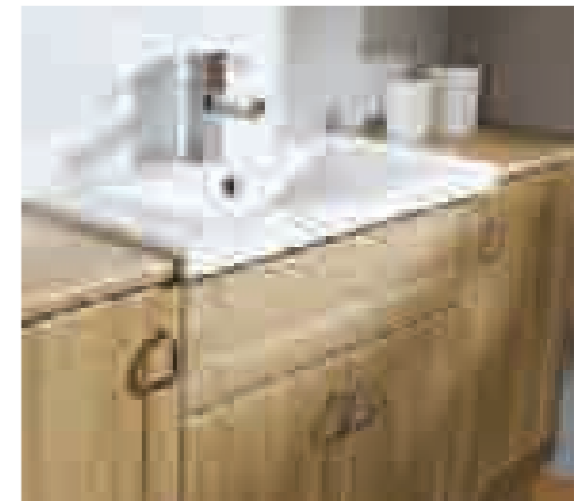

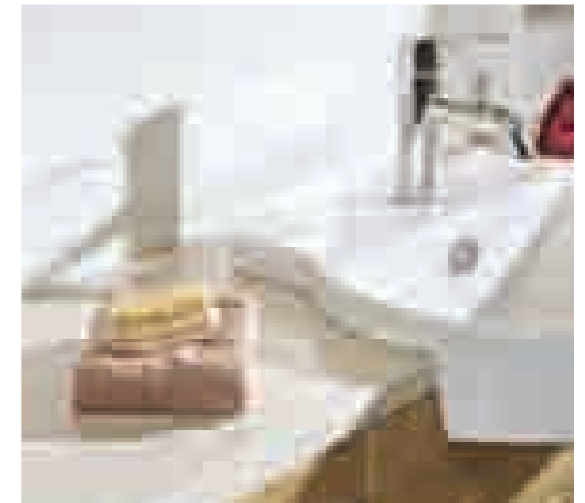

Pescara is a pale cream gloss a versatile colour but offering more subtlety than white. Available on a variety of woodgrain cabinets, Ferrara Oak, Romano Cherry, a dark rich Walnut or mid toned Natural Walnut, the choice is yours.

sofia

Matching versatility with artful expression, these beautiful "shaker" style doors in a stunning oak effect finish with co-ordinating cabinets create a welcome, homely, airy atmosphere.

banbury

As part of the 'Colourmix' range,
Banbury sits perfectly
on the contrasting cabinetry,
creating a sense of contemporary
style and sophistication.

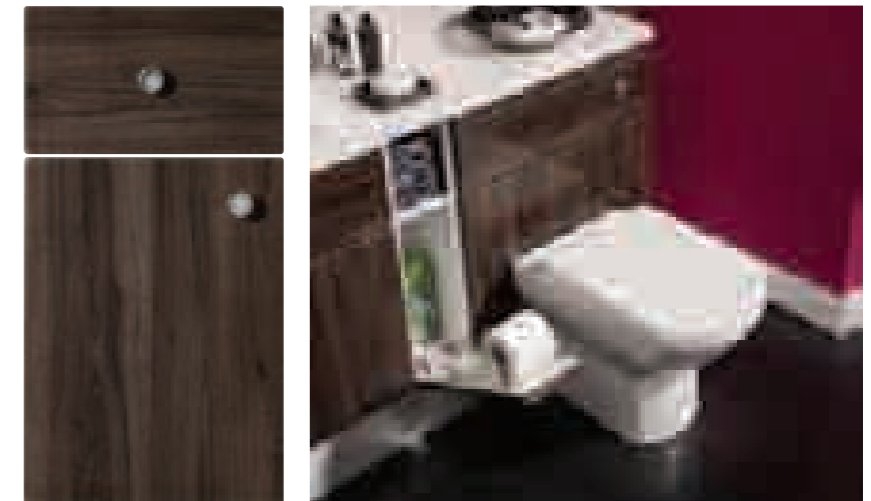

torino

PREMIUM

Hi-tec wood effect gloss contrasted with the white gloss Premium cabinet create this stunning bathroom. Bringing the Breeze basin and Solid Surface countertops together in total harmony.

milan Sleek rectangular lines combine with soft curves to show Milan at it's very best.
The purity of finish is truly beautiful yet the bathroom remains both practical and simple.

sollina

The simple look is the hallmark of beauty.
Horizontal Grain patterns
enhance the striking Walnut colour
with stunning effect.

York

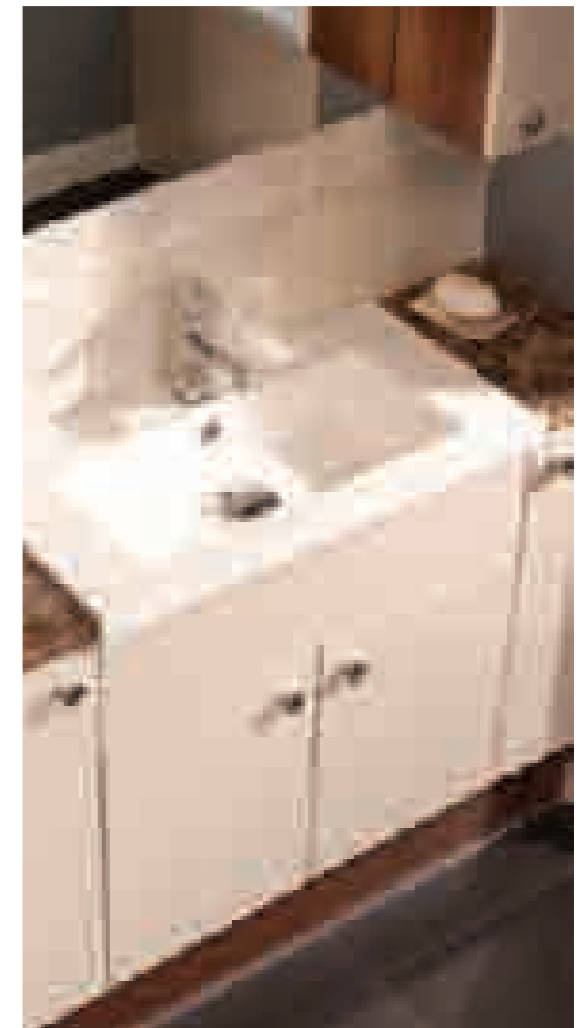

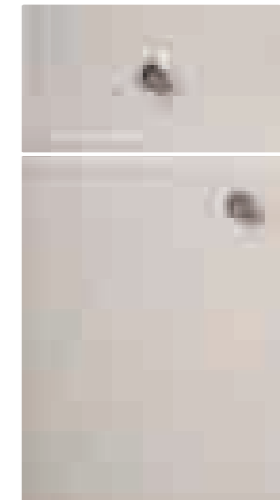

Sleek, clean and conventional,
York's traditional good looks
can nevertheless bring a contemporary
ambience to any environment.

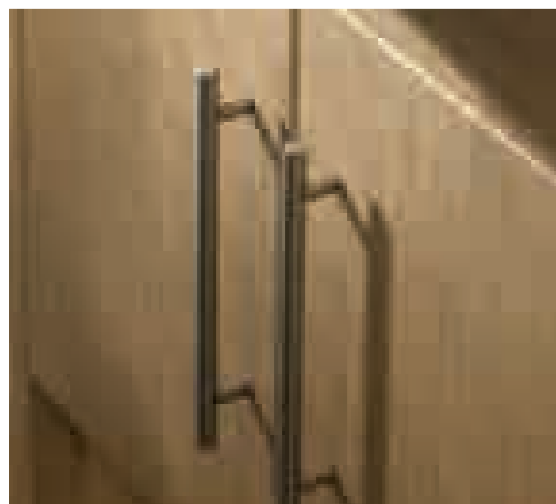

castana

The subtle look of Bisque gloss Castana on Walnut cabinets accentuated with countertops and shelving.

vellino

Inspired by linear lines Vellino is an exquisite design, the perfect fusion of form and function. Elegant curves of bold simplicity this modern suite is the ultra way to achieve the modern look that provides a softer statement.

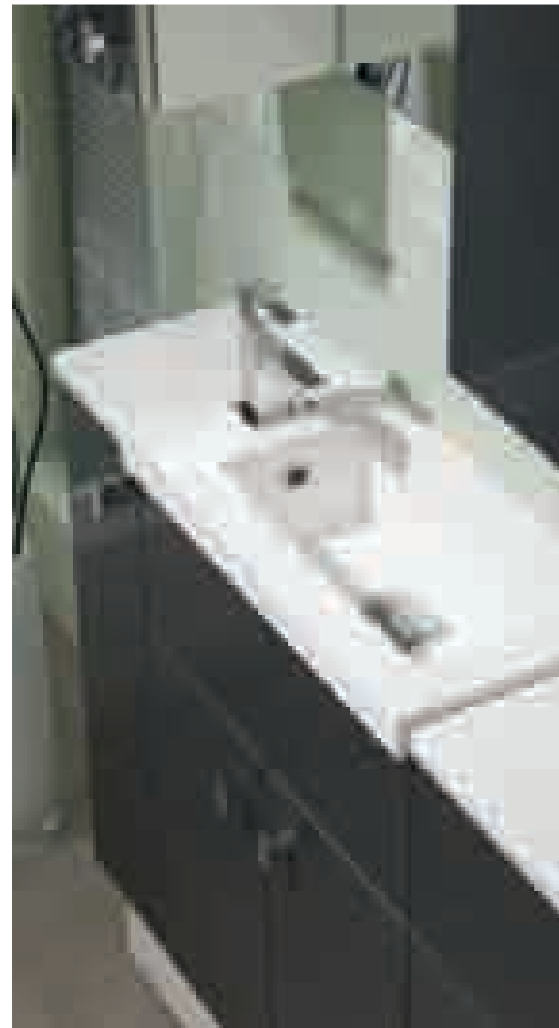

Lucia

The subtle curves blend with graceful contours to create the understated, sleek and practical range of Lucia White high gloss. These beautifully styled doors are available on both our Matt White, Premium and Colourmix cabinets

novara
SLIMLINE

Combining elegance with true space efficiency, these Novara doors on the Premium cabinet utilise the Slimline Breeze basin and matching WC.

atlanta 365

The comprehensive and practical range of Atlanta base units are suitable for countertops with a depth of 365mm. The choice of cabinet designs offers storage solutions for bathrooms large and small and practical space saving ways to incorporate basins and toilets. The exciting array of cabinet styles includes furniture with doors or drawers, units to wall hang, full panel toilet units as well as a variety of tall storage units, all in a great range of finishes.

MIRAGE

The modern surface, like all things today needs to be multi functional, this is why solid surface countertops and shelving are such a popular and practical choice.

Solid surface countertops and shelving are produced from a homogeneous acrylic bound material containing natural mineral fillers and high grade engineered resins directly coated to an environmentally friendly core board and balanced with a non-porous material.

Solid surface countertops and shelves provide perfectly smooth and tactile surfaces which allow inconspicuous jointing and edging. Seams are fused together to provide a flush and moisture resistant bond across the surfaces. Since it is non porous, every day stains can be removed with just soap and water.

Please feel free to use the guides given to enable you to formulate the cost of your countertop. We will require a detailed drawing covering all dimensions and walls where applicable to ensure accurate costs. The drawing must also indicate any finished edge or in some cases where the countertop may be placed to adjacent furniture.

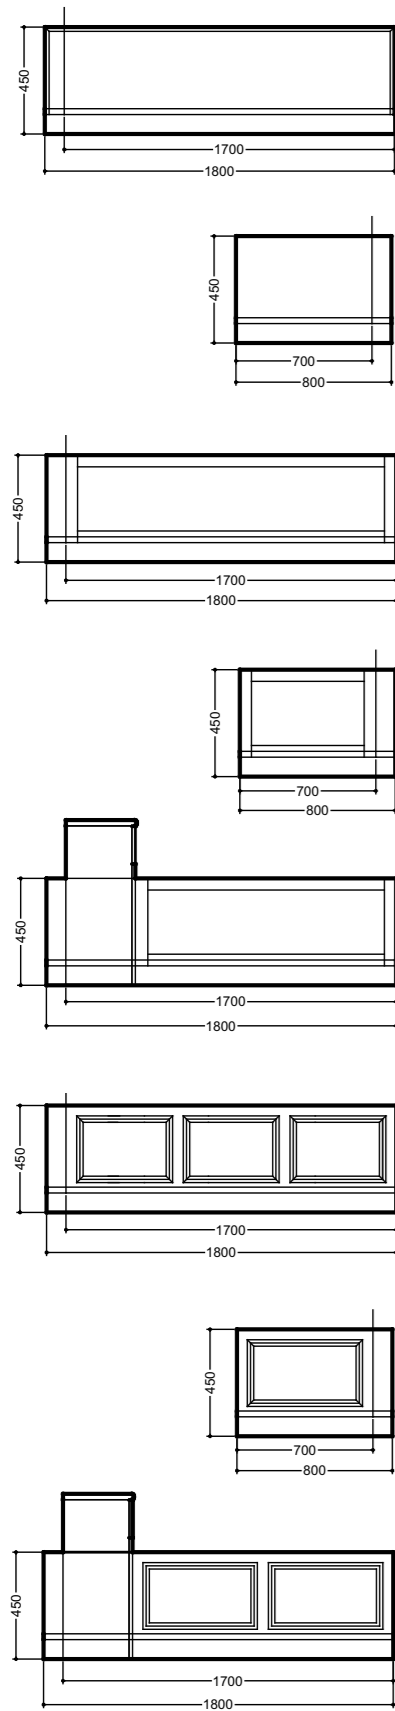

On receipt of this information a detailed drawing indicating full specifications and costs will be relayed back to your approved dealer. This should be checked thoroughly, signed and returned to enable production of this item.

It is not possible to alter any information once the item has been processed. We will not agree to any cancellation, alteration or restocking, as these items are made to customers requirements. These items will remain chargeable.

FSC® CHAIN OF CUSTODY CERTIFICATION

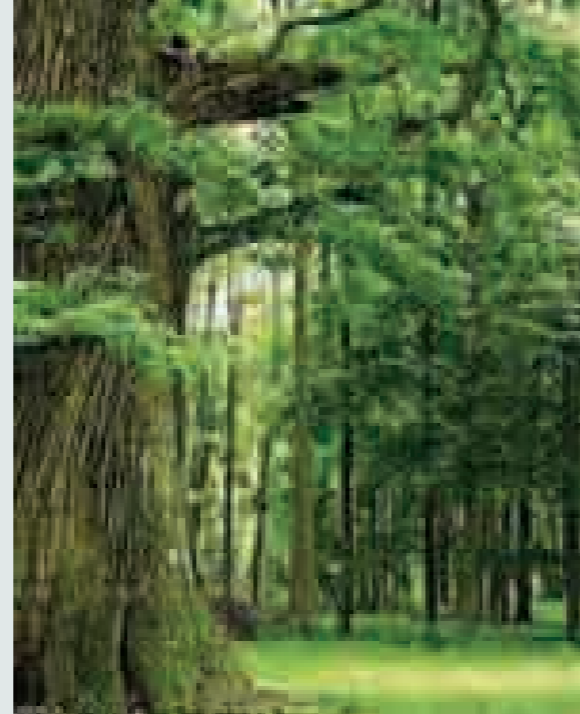

Be Modern hold full Forestry Stewardship Council chain of custody certification, your guarantee that all timber products used in our furniture come from well managed sources and comply with environmental, social and economic standards

By choosing FSC products you can avoid buying wood from destructive forestry and can help to ensure forests are protected for the long-term while remaining commercially-viable.

- ■ ■ FSC labelled products are made with consideration for people, wildlife and the environment.
- ■ ■ The FSC label guarantees that the trees that are harvested are replaced or are allowed to regenerate naturally and parts of the forest are protected entirely, in order to protect rare animals and plants.
- ■ ■ FSC protects the rights of indigenous people to use the forest. Sacred sites in the forest are exempt from felling.
- ■ ■ FSC is the only wood certification scheme endorsed by the major environmental charities, including WWF, Friends of the Earth, Greenpeace and the Woodland Trust.

The mark of responsible forestry

OUR COMMITMENT TO QUALITY AND THE ENVIRONMENT

The reputation of the organisation rests on the high quality of our products hence all products are inspected throughout the production process.

Our quality management system is certified to ISO:9001:2008 and covers all areas of the business from manufacturing to customer service

Be Modern produce bathroom furniture in its own factory in the North East of England. Methods are in place to reduce waste and increase energy efficiency throughout the plant.

Our environmental management system is certified to ISO14001:2004 standards outlining our commitment to continually improve our environmental performance

Our commitment to minimise our environmental impact includes continual capital expenditure on state of the art machinery to improve efficiency and quality.

We welcome feedback on all aspects of our business, if you have any comments you can e-mail us at enquiries@atlantabathrooms.com

ATLANTA: CONDITIONS

INSTALLATION Atlanta bathroom furniture is designed for domestic use in well ventilated areas fitted with a suitable extractor fan. Products should be installed and cared for in accordance with our fitting and care instructions.

Wall mounted units are supplied with substantial mounting brackets. The installer must provide suitable wall fixings dependent on the type and condition of the wall. A secondary fix will be required on the unit by the installer.

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

ELECTRICAL INSTALLATIONS Electrical connections should always be carried out by a qualified electrician. Lights and illuminated mirrors are IP rated to ensure they are fitted in the correct zone.

Care should be taken to avoid shower spray or splashing. Electrical appliances connected to mirror cabinets should not be operated whilst bathing or showering.

CORIAN®

Corian® Solid surfacing is supplied on a bespoke service, which incorporates a specially developed cowl. When ordering Corian your retailer will need to supply an accurate drawing. Once ordered it may not be possible to amend dimensions and your order will be chargeable.

SPECIAL SIZES

Because of the bespoke nature of these products we will not restock countertops, open shelf units or shelving that have been specified for individual orders. A restocking charge will be made on all products returned to stock.

ATLANTA: GUARANTEES

GUARANTEE: FURNITURE AND CERAMIC SANITARYWARE A five-year guarantee against manufacturing defects applies to all furniture, fittings and ceramic sanitaryware. The surfaces of ceramic products may contain imperfections. The guarantee is limited to domestic use by the consumer in a well-ventilated area fitted with an extractor fan. The guarantee is offered on all products used in the manner for which they were intended and does not apply to products that have been misused or abused in any way.

The products must have been installed and cared for in accordance with our fitting and care instructions and the appropriate byelaws and regulations. The guarantee does not cover general wear and tear. In the unlikely event that a product fails within the guarantee period we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved. The guarantee, which applies to the UK only, is limited to the original purchaser and is not transferable. This guarantee does not affect the customers statutory rights.

GUARANTEE: BRASSWARE Brassware is covered by a five-year guarantee against manufacturing defects providing that the product has been installed correctly and the correct plumbing practices have been carried out. Sprung pop-up wastes carry a one-year guarantee. The guarantee does not cover general wear and tear. The shower kit including handset and metal flexible tube carries a one year guarantee.

GUARANTEE: CAST MINERAL WASHBASINS Cast mineral washbasins are covered by a five-year guarantee provided the basin has been correctly installed and cared for in accordance with the Care and Maintenance Guidelines supplied with the product. Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C, this temperature must not be exceeded. The use of taps with 'pop-up' wastes is not recommended for Breeze basins.

GUARANTEE: LIGHTS AND ILLUMINATED MIRRORS Electrical fittings and components together with illuminated mirrors are covered by a one-year guarantee provided they have been correctly installed and used for the purposes for which they were intended.

GENERAL Please inspect all products carefully before installation. The guarantee does not cover any subsequent installation costs incurred if faults, which would have been evident at the time of delivery are discovered after installation.

DIMENSIONAL TOLERANCE Due to the nature of materials and production processes dimensions of ceramic items and mineral castings may vary within a tolerance of $\pm 2\%$.

FURNITURE MATERIALS All timber finishes in the Atlanta range are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches and manufacturing processes used.

The apparent colour of finishes may also vary under different lighting conditions, especially artificial light.

ATLANTA: GUIDELINES FOR CARE AND MAINTENANCE

FURNITURE Wipe spills up immediately with a clean cloth. We recommend that the furniture be cleaned with a damp cloth and dried off. Avoid using abrasive cleaners or polishes that contain solvents, acid or ammonia.

CERAMIC SANITARYWARE Clean with a damp cloth and warm soapy water; rinse with clean water and polish with soft cloth. Avoid using abrasive cleaners or polishes that contain solvents, acid or ammonia.

CAST MINERAL WASHBASINS Clean with a damp cloth, water and soap or very mild detergent, rinse and polish with a soft cloth. Avoid using abrasive cleaners or polishes that contain solvents, acid or ammonia.

For a good shine use a fine polish around twice a year and then finish with wax e.g. car wax. Full care instructions are included with the washbasin.

BRASSWARE Clean with a damp cloth, water and soap, rinse clean and polish with a cloth. Avoid using abrasive cleaners or polishes that contain solvents, acid or ammonia.

COLOUR REPRODUCTION Colour reproduction is as accurate as possible within the limitations of the printing process. Please ask for a sample of the actual colour. Also note, colours will vary under artificial light.

The Be Modern Group policy is one of continual improvement and development. We therefore reserve the right to alter materials and specifications without notice.
